BOOTH. . . . . EDITOR.

MILWAUKEE:

FRIDAY.....MARCH 30.

For Supreme Court Judge,

ORSAMUS COLE, of Grant.

Election, Tuesday, April 3d.

Judge Crawford's Republican Organ.

The *Mineral Pt. Tribune* continues the course of misrepresentation it has pursued since the commencement of the judicial canvass. And by the way of raising a dust, it starts objections, which we have heard nobody raise, to Judge Crawford, and then quotes from his opinion in our case, to disprove its assumed objections—that Judge Crawford denies the right of the writ of *habeas corpus* to our citizens."

The objection to Judge Crawford is, that he holds the Fugitive Slave Act to be constitutional, which denies the writ of *habeas corpus* and trial by Jury to those on trial for liberty.—And these objections the *Tribune* keeps out of sight.

Last week, it likened us to Judas. This week, it represents us as follows:

"The statements of the *Free Democrat*, that Judge Crawford is 'opposed to the liberties of the people,' and that 'there is no need of a law if the devil don't get all such men,' we pass over as too ridiculous to deserve a reply."

We appeal to our readers if they have ever seen the charges, or words pretended to be quoted by the *Tribune*, in our paper. It were useless to waste words on a paper that puts phrases into our mouth, in that way, and palms off its own coinage as ours.

The *Tribune* has another article in defense of the constitutionality of the Fugitive Slave Act, and in denunciation of the decision of our Supreme Court, which we shall publish, as showing the *animus* of the paper. It purports to be a communication, and is signed by a star, but as it assumes to state the sentiment of the *Tribune*, and the *Tribune* makes no dissent to it, thus tacitly endorsing it, it is fair to regard it as the doctrine of that paper.

The *Mineral Point Democrat*—Hunker—has *stopped*, and the *Mineral Point Tribune* has taken to publishing the articles of its Hunker co-adjutor against Cole, and in favor of Crawford.

NEW HAMPSHIRE ELECTION.—When the returns are all in, Metcalf's majority for Governor, will probably be reduced down to 1,000 or less. Metcalf's majority over Baker, Administration candidate, is about 6,000. The total vote in the State is beyond precedent; being over 67,000, which is several thousand more than ever cast before.

All the counties in the State except Coos, and probably Belknap and Carroll, have elected Opposition Co. officers.

Francis H. Lyford (Fusion) is chosen Railroad Commissioner, by a majority somewhat larger than that of Metcalf.

The Fusion candidates appear to be chosen in all the five Councillor districts, viz: Dist. No. 1, John Dame; No. 2, Nicholas V. Whitehouse; No. 3, Stephen Smith; No. 4, Milton C. McClure; No. 5, Wm. Tenney.

NEW JERSEY LEGISLATURE.—The Air Line R. R. (N. Y. & Philadelphia) bill was defeated in the New Jersey Senate, on the 28th inst., by a vote of 9 to 14. The first Bank veto appeared in the Senate, which was that of the City Bank of Newark—a new charter. It is the intention of the Governor to sign all the re-charters and veto the new Banks.

The bill to suppress intemperance amended in the Senate so as to take the vote of the people, before the passage of the law, was shorn of this amendment in the House, and finally passed—as it did at first—making it an absolute law.

RHODE ISLAND.—The Whigs of this State have nominated the following ticket: for Gov. W. C. Heppin; Lieut. Gov. John J. Reynolds, of North Kingston; Secretary of State, Wm. R. Watson, of Providence; Attorney General, Chas. J. Robinson, of Cumberland—and the present incumbent to Congress in the Eastern District. No nomination for Congress was made in the Western District.

Hoppin is also the Know Nothing candidate for Governor.

RACINE CHARTER ELECTION.—The Republicans of Racine have nominated the following persons for officers of the city:

Mayor—Gilbert Knapp.
Treasurer—John Roberts.
City Clerk—Richard W. Rowe.
City Marshal—Ebenezer Weed.
Justice—Isaiah G. Parker.
R. R. Com.—Marshall M. Strong.
School Superintendent—M. P. Kinney.
Assessor—Charles Smith.
Special Assessors—Norman Clark, M. B. Mead, L. B. S. Miller.

WHIGS AND KNOW NOTHINGS *in Philadelphia*.—The Whigs of Philadelphia held a meeting in that city on the evening of the 28th inst., in opposition to secret societies, but the Know Nothings took part in the meeting, and being in the majority, passed a series of resolutions, defeating the whole object of the meeting.—They then rejected the original resolutions, and adjourned with three cheers for *Sam*.

PROHIBITORY LAW IN MAINE.—The new prohibitory liquor law of Maine, which was signed by the Governor on the 17th inst., provides for imprisonment for one month for the first offence; increased terms of imprisonment for the second and third offences; and for the fourth and every subsequent conviction, $1,000 fine, and one year in the State Prison.

CALUMET COUNTY JUDGE.—The Sheboygan *Journal* says that Gov. Barstow has appointed John Marygold, of Chilton, Judge of Calumet Co., and speaks of the appointment as a good one.

HENRY WARD BEECHER says that he would as soon go a courting with his father's old love letters, as to go to church and carry a book to pray out of.

Meeting in York, Dane Co.

The friends of Liberty and haters of Oppression in Mass Meeting assembled at the Brown School House—so-called—in the town of York, Dane Co., Wis., adopted the following resolutions:

Resolved, That American Slavery is opposed to the Bible—to all our ideas of human rights—to the Declaration of American Independence, and to the principles of the Constitution of the United States, and should everywhere be treated as an outlaw.

Resolved, That the "Fugitive Slave Act" is outrageously wicked in its aims, unconstitutional in its provisions, and diabolical in its tendency, and should be trampled under foot by every lover of mankind.

Resolved, That we most heartily endorse the act of the Rescue of Glover.

Resolved, That we heartily sympathize with S. M. Booth and John Ryerafi, in the persecutions they suffer for an alleged participation in said Rescue, and that we open a subscription to aid defraying the expenses they have incurred in defending themselves from this charge, the money to be divided between them in proportion to the expenses they each have been subjected to.

Resolved, That our motto be Millions for Defense, but not one cent for Tribute, in the shape of fines.

LORENZO RAWSON, Ch'n.
DANIEL WOOD, Sec'y.

NEBRASKA ENTERPRISE.—A bill has passed the Legislature of Nebraska to incorporate the "Missouri River and Platte Valley Railroad Co."—the incorporaters 26 in number. The road is to begin at the town of Plattsmouth, on the Missouri river, and running to Fort Kearney, thence to Fort Laramie, thence to the western limits of Nebraska, upon the most eligible route, with a branch road from the mouth of the Nemaha, to unite with the main track at Grand Island, near Fort Kearney. Provisions are made for a double track. The capital stock is $5,000,000, divided into shares of $100 each.

SLAVE CASE IN KANSAS.—The Lawrence (Kansas Territory) *Free State* of the 10th inst., contains the following:

"A negro woman, representing herself as free, has been in the vicinity for several days, and in the employ of some of our citizens.—This evening some persons came to claim her as a fugitive. Many of the citizens objected to rendering her up without the formality of a trial. The party expressed a determination to take her at all hazards. The matter, however, was compromised by committing the woman to the charge of Dr. Wood, who pledges himself to keep her for several days, and pay her reasonable wages, provided she does not prove to be a slave. She says that she is 22 years old, and belongs to a Mr. Yokum, from Kentucky, who has settled on the Marieseseige."

LAKE HURON AND ST. CLAIR RIVER.—The Port Huron *Commercial*, of the 24th inst., contains the following:

We understand that the St. Clair River is clear of ice as far down as Algonac. No ice has been visible in Lake Huron, from Ft. Gratiot Light-House, since Sunday last.

The heavy southerly winds that have since prevailed, must have pretty well powdered and driven it, where probably little will return, should the weather continue mild. The nor'wester that brought a snow-squall to greet us on turning out this morning, gives poor promise, however, of early navigation. Considerable shore ice is running in the river.

It is stated by the *Union* and confirmed by the *Evening Post*, that the differences between the American and Spanish Governments, with reference to the Black Warrior affair, are now arranged, Spain having agreed to the view of the matter taken by Mr. Marcy, and promised to make all the reparation demanded. The *Post* alleges that the case would have been disposed of before, had not Mr. Soule withheld an important dispatch of the Secretary's from the knowledge of the Spanish Government, evidently, as our cotemporary argues, in order to keep the quarrel open, with a view to his own schemes against Cuba.—*N. Y. Tribune.*

BANK OF SHEBOYGAN.—It will be seen by the card of this Bank, in another column, that it is prepared to do business. The following are its officers: Wm. W. King, Pres't; V. E. Young, Vice Pres't; F. R. Townsend, Cashier. These officers are among our best business men, and are a guaranty that the institution will be fairly managed. Mr. Townsend is perfectly at home in the position of cashier, and no better man could have been found to fill it. The Bank will be very advantageous to our business men, and we doubt not will be entirely successful.—*Sheboygan Journal.*

SAD ACCIDENT.—We understand that a young man by the name of Butler, living about four miles south of this city, was almost instantly killed on Saturday last. A young man by the name of Powell, had been out hunting in the afternoon, and in returning stopped at the barn where young Butler was engaged in taking care of the stock, when both young men started for the house. Mr. Powell put the gun upon his shoulder, breech up, and in passing under a shed the lock caught and pulled it back so as to cause a discharge, sending the whole contents of the fowling piece into the body of young Butler, who was just in advance, killing him almost instantly. The unfortunate young man was but 19 years of age.—*Fond du Lac Herald.*

CLOSE OF THE UNION SCHOOL.—Our village public school which has for some time been under the supervision of O. R. Bacon, closed on Friday evening, by an exhibition of the scholars, in original compositions, declamation, vocal music, &c. during which a large audience was in attendance, and all listened attentively to the very interesting performance of the children.—*Waukesha Dem.*

CALAMITY.—John Moulen, in the employ of H. W. Remington, Esq., of this place, was instantly killed at Seven Mile Station, in this Co., by the bursting of a boiler. The boiler was a new one, had just been placed in the mill, and the explosion was doubtless owing to some defect.—*Madison Patriot.*

A NEW ENGINE.—Messrs. W. P. & V. D. Green are now putting up a Steam Engine in their new Saw Mill. Its boiler was drawn through our streets the other day, and a large one it was. It was 22½ feet long and 46 inches in diameter. The engine is 30 horse power.—*Watertown Dem.*

FIRE IN HAMILTON.—We learn that an unoccupied store in that village was burned to the ground last Sunday evening. The building was worth $300—no insurance.—*Ozaukee Advertiser, 29th inst.*

THE Rev. John Pierpont is 70 years of age and the Painesville *Telegraph* says that he has, within the last fifty days, travelled 4,000 miles, delivered twenty-six lectures and preached six sermons.

A SINGULAR DEFINITION.—Talleyrand, famous for his epigrammatic sayings, once defined the character of the Russian Government to be "a despotism tempered by assassination."

Whatever is well resolved on, should be quickly performed.

A white musk rat was caught a few weeks ago in Pennsylvania.

INFANT MORTALITY IN N. Y.—During the four weeks ending with the 24th inst., 204 infants died in the city of New York from convulsions alone. LUNATIC ASYLUM.

REPORT of the Joint Special Committee, appointed to "investigate" the facts relating to the Contract for building the Lunatic Asylum, made in Senate and Assembly, March 19, 1854.

1st. Expenses of Asylum upon plan adopted by the Commissioners, under the contract, with Mr. Proudfit, and opposite the same the estimated expenses, at fair Madison prices—which are somewhat higher than Milwaukee prices.

	Expenses under Contract.	*Est. Expenses at fair prices.*
Main Building,	$ 77,809 60	$ 53,382,31
Wing Buildings, "A"	166,168,86	72,305,68
Wing Buildings, "B"	93,412,00	66,634,00
Wing Buildings, "C"	97,403,00	69,359,00
Gas Building, Engines, Engine Building, &c.—Estimated,	30,697 00	30,697 00
	$410,850 46	$295,677 09

The actual cost of the Asylum upon the plan adopted by the Commissioners, under the contract with Mr. Proudfit, giving that contract a construction most favorable to the State, as proved by witnesses, will be $410,850,46—and estimating the cost of each transverse, and each longitudinal wing, separately, would increase the cost, as proved by witnesses, under the contract, $41,850,56

Making the gross amount of Asylum fair, just and reasonable prices, as above stated, the cost of the same buildings would be,	$452,140,42
Difference between cost under Proudfit's contract, giving most favorable construction for the State, cost, at fair, just and reasonable prices, as proved by witnesses,—Mygatt, Palmer and Bird,	$295,672,02
Difference between cost under Proudfit's contract, estimating each transverse and longitudinal wing separately, and cost of same at fair, just and reasonable prices, as proved by witnesses,	135,178,44
It was proved by Messrs. Mygatt, Palmer & Bird, that an Asylum built upon the plan of the Worcester Asylum, as recommended in the report of the Senate Committee, at the prices named in Proudfit's contract, would cost the State	166,468,30
And the cost of the same at fair, just and reasonable prices,	83,086 00
Difference,	61,310,00
Difference between cost of Asylum upon plan adopted by Commissioners under Proudfit's contract, estimating each transverse and each longitudinal wing separately, and cost of Asylum upon the plan proposed by Senate Committee, at fair, just and reasonable prices,	19,049 00
Difference between cost of Asylum upon plan adopted by Commissioners, under Proudfit's contract, estimating each transverse and each longitudinal wing separately, and cost of Asylum upon the plan proposed by Senate Committee, at fair, just and reasonable prices,	346,530,09
Difference between highest cost of present plan, under Proudfit's contract and cost of Worcester Asylum plan, as estimated by Senate Committee,	387,509,42
	439,510,42

Mr. Mygatt states, also, in his testimony, that under the contract let to Proudfit, the cost of the building can be made much more than the estimate, under the contract makes it. He says this can be done in the iron work generally, because greater weight of iron may be put in than is necessary, on account that all the sizes are not named in the specifications. In making the estimate the size and weight have been taken which seemed sufficient for the purposes of the building. The size of the joists and partitions may also be increased under the contract, and other things which are not specifically described.

The remarkable cost of this Asylum under Proudfit's contract, beyond what was intended by the Legislature, only keeps pace with the remarkable and unaccountable departure of the commissioners with the advice and consent of the Governor from the plan of the Worcester Hospital for the insane, as recommended by the Senate committee. This state of the case leads us to recur to the act, and enquire whether the commissioners under the proviso of section four had a right to make such alterations in the plan as have been made, and to make such an increase in the cost of the contemplated building as necessarily follows so strange an alteration of the plan. The Legislature by that law never intended to confer such license on the commissioners. If these departures are warranted by any construction of the act, then indeed as Mr. Proudfit's Attorneys contend the power of the commissioners was unlimited, and they might have made contracts for a building five miles in length, to accomodate five thousand lunatics, and to support five hundred appointed officers taken from the body of the Legislature or from favorites among the people at a cost to the State of ten or fifteen millions of dollars, and all with the advice and consent of the Governor. Your committee cannot believe for one moment that these alterations do not materially change the plan, designated clearly by the Legislature nor can your committee but believe that the change has, or will, if the contract with Proudfit is carried out, materially increase the cost of the building.

But there are other evidences to satisfy your committee, not only of material changes, but of the fact, that the plan intended by the Legislature was entirely abandoned and one entirely new adopted. These evidences are found in the report of the commissioners: in the report of the Superintendent: in the testimony of Mr. Palmer, and in the positive and unequivocal testimony of the Superintendent himself. This testimony is in addition to the great mass of testimony furnished by the equivocal character of the whole transactions connected with this Lunatic Asylum project, and your committee feel to congratulate the people of the State at the prospect of escape from so infamous a scheme. On page 5, of the commissioner's report, we find the following: "One of the commissioners was delegated in the early part of the season to visit the Worcester Hospital; and he was there and elsewhere advised by scientific physicians that the Worcester Hospital had not only ceased to be a model institution, but had fallen into the rear rank of the march of improvement." About four months previous to this visit to Worcester, this same commissioner then in his place in the Senate, called the Worcester Asylum, in an official report, "a glorious monument of the liberality and philanthropy of the commonwealth of Massachusetts, and said that it deserved to be held up "as a model for our imitation." This was done while the effort was being made to pass the law authorizing the appointment of commissioners to erect a Lunatic Asylum, with the advice and consent of the Governor. Comment here is unnecessary. Within four months the Worcester Asylum "fell into the rear rank of the March of improvemet and here commenced the departure from the line of official duty. On page 6, of the commissioners report, they say the plan adopted by them was a "plan matured by Dr. Kirkbride, of the Pennsylvania Hospital, and approved by every Superintendent in the U. S. and it may be safely asserted that if carried out in the true spirit of enlightened philanthropy it cannot fail to give us an institution of a high order, every way superior to any previously elected, and at as small cost as can effect the object desired. For a full and specific account of the plan of the buildings, the commissioners would refer to the report of the Superintendent, and also the drawings and specifications now in their office: "It is gratifying to know that this plan had received the approval of every well educated man to whom it has been submitted."

Again on page ten, they say, "In settling upon a plan for this asylum, the commissioners had to decide whether they would have constructed a building at small expense possessing very limited good qualities and usefulness, or such a building at greater cost, as would meet the approbation of those who best know what is needed and which would not be immediately obnoxious, and subject to revision, change or total abandonment." We have made the above quotations from the report to show that instead of going on and causing buildings to be erected in accordance with the plan of the Worcester asylum, they adopted a plan and contracted to build like it. The superintendent of this asylum, who was a member of the senate when the bill passed authorizing its erection, and was appointed by Gov. Barstow immediately afterwards or soon afterwards, in his report to the commissioners says:

"Under a resolution passed by your board and by the advice of the governor, you are aware that I visited most of the similar institutions in the United States, and upon my return laid before you a plan which was adopted without reservation." The plan adopted and the contract to erect which was awarded to Andrew Proudfit was not the plan of the Worcester Hospital. There is no pretence that it was so. Edwin Palmer testifies "that the portion of the Wisconsin asylum to be built the first year would cost much more than the construction of the Worcester asylum according to the plan reported by the Senate committee as appears in the senate journal of 1854 and is upon a plan differing very materially. The erection of the Wisconsin asylum main building would cost much more than the main building of the Worchester asylum for the reason than it is more than twice as large and for the reason also that the Worcester asylum is heated by furnaces within the building and the Wisconsin asylum is heated by apparatus in a building removed from and entirely distinct from the main building." In addition your committee took the testimony of Dr. McLane the superintendent, that the Worcester plan was abandoned as beinde the spirit of the age, and that the commishouers adopted altogether a different plan. This testimony of the Superintendent is as follows: He examined both Worcester and Taunton asylums but found them both insufficient to meet our purposes and determined not to take either as a model for ours, both in reference to cost and management. Upon consideration witness adopted the plan as recommended and decide upon by the board of superintendents of Insane Asylums of the U. S., and now adopted and in course of erection by the U. S. Hospital for the insane, of the army and navy, of the District of Columbia, by the General Government as also be some ten or dozen other institutions in the U. S., the plan being varied to suit the means and necessities of this State.—This plan was reported to the commissioners and by them adopted. The form of the Worcester asylum is different from the plan adopted, but the treatment is similar." Here then we have the whole thing in all its bold aspects. The superintendent and commissioners with the advice and consent of the Governor, disregarded the law, repudiated the Worcester asylum plan as recommended, &c., and adopted that of a building for a U. S. Hospital for the insane, for the army and navy, for the District of Columbia. There is no rule of law better settled than that in the construction of a statute the whole act must be construed together, every section considered and the intention of the Legislature sought out. Upon this point authorities are abundant and specific. It is settled in the minds of your committee that the legislature intended that a Lunatic Asylum should be erected in accordance with the plan of the Worcester Hospital for the insane as recommended in the report of the Senate committee. It is equally settled in the minds of your committee what that plan was. It is certain that the commissioners disobeyed the law and adopted a plan for an asylum differing in size, form, extent, proportion, arrangement and in detail, in every essential particular, and a plan too, which if pursued would involve the expenditure of hundreds of thousands of dollars, where the legislature intended to confine the expenditure to thousands merely.

Your Committee is also, from the law and the evidence, satisfied that the departure of the commissioners from the line of their authority was not only unwarranted by any construction of the act under which they were appointed, but was a most wanton and flagrant transgression of the law, and their duties for which no excuse can be rendered, and which nothing can palliate. The question arises therefore, how far the State is bound by their acts, and what is the duty of the State in the premises. A majority of your Committee, after full and careful deliberation, say that the State is not bound by the contract made by the commissioners with Mr. Proudfit. That whatever the intention of the commissioners may have been, the contract was a fraud as against the State, and is void, and your Committee herewith give their reasons and the law, and fearlessly put themselves and the Legislature and the people.

FRIDAY..........................MARCH 30.

LAST EVENING a company of Germans, desirous of manifesting a little indignation against the *Sentinel* for its course on the liquor question, obtained sundry musical instruments and proceeded in front of that office and commenced a sort of a *chevarari*; but they were speedily interrupted by the appearance of Mr. Fillmore, who requested them to stop 'grinding' or else leave the premises; whereupon one of the company collared him, when Mr. Fillmore dealt the intruder a blow which sent him sprawling on the ground. A number of firemen came to Mr. Fillmore's assistance, when the German company, considering "discretion the better part of valor," beat a hasty retreat, feeling, doubtless, not a little ashamed of their conduct.

A warrant was issued against "John Doe," on complaint of a young man, named McDonald, for striking Mr. R. Goodwin, of the New York Hotel, Main St., Third Ward, on the head with a poker. He inflicted a severe wound, causing the blood to flow profusely.

Just before the complaint was made by McDonald, the fellow who perpetrated the act, came into the Police Court and desired to know if he could complain of himself and pay the fine for striking a man, and was told by Justice Votta that he entertained no such complaint.

JACOB BEST, JR., a German Brewer of this city, has issued a decree, through the *Banner*, to his numerous friends; *requesting* them to immediately stop the *Sentinel*, because that paper changed its mind in regard to the recent liquor demonstration, and is out against the Governor's veto of the Prohibitory Liquor bill. Mr. Best says he won't take the *Sentinel* any longer, because he "*don't like to give an opportunity to the people to find such offending nonsense in my own house.*" We are informed that Mr. Best declared, that the *News* should have his patronage in future.

A lad named James Devine, obtains the reward of $800 for the discovery of the body of the deceased woman.

STREET WALKERS.—The New York police are attempting to clear the city of street walkers. On the night of the 23th inst., the police arrested and locked up some 69 of these characters. On the morning of the 25th inst., Mayor Wood sent 33 of these girls to the penitentiary on Blackwell's Island for terms varying from one to six months.

CANADIAN ASSEMBLY.—The second reading of a bill for introducing the elective principle into the higher branch of the Legislature, was carried in the Assembly on the 28th inst., by a vote of 50 against 4. The measure is generally regarded as a step towards the election of the Governor of the Province, and is consequently warmly supported by the Annexation party.

KENOSHA MAYORALITY.—Chas. C. Sholes, the present incumbent, and John V. Ayer, will probably be the opposing candidates for Mayor of Kenosha. A large number of citizens of Kenosha have requested Mr. Sholes to be a candidate for re-election. They can't get a better man.

THE new King of the Sandwich Islands is evidently a gallant man. He has determined to give all the females in the city each a new black silk or satin dress patern, in order that they may appear in respectable and fitting costume at his father's funeral.

THE Vermonters do up the liquor sellers strong. Mr. John P. Freeman has been tried by the Sepreme Court at Woodstock, on 115 counts for liquor selling, on 76 of which he was found guilty, fined $720 and costs and sentenced to 3 months imprisonment.

A MRS. HASBROUCK was recently attacked by four bull dogs, owned by a Mrs. Cruch, in Pittsburg, and so lacerated that her recovery is doubtful. She was bitten in twenty-two places, and the muscles in her right arm were torn out.

THE SUGAR CANE, after the saccharine matter is extracted, makes far better paper than basswood. If it equals the expectations formed of it, cane stalks will be turned to some account. Why not corn-stalks, also?

MURDERER OF WM. POOLE.—It was reported that Baker—the murderer of Wm. Poole—had landed on Cape Island, and that he was secreted in the woods. The citizens turned out to search for him.

PHILADELPHIA, March 26.—The tow-boat Thunderbolt, while towing the brig Ella Reed down the river yesterday, took fire near Chester, and burned so rapidly that the crew had barely time to escape. TELEGRAPHIC NEWS.

NEW YORK, March 29.—The following is an extract from a letter written by an officer of the Steam Frigate Powhattan, dated Hong Kong, Jan. 4th: We have great fears that the *U. S. ship Porpoise* is lost with all on board.—She sailed from here with the Vincennes, since which nothing has been heard of her. The two vessels in case of being separated, were to rendezvous at Borneo island. The Vincennes shortly after her arrival there, experienced a terrific gale of wind, although sheltered from the sea. She was obliged to put down 4 anchors to keep her from being driven ashore, and even then they though her masts would be blown out of her. It is feared that in this gale the Porpoise was foundered at sea.

CAPTAIN MOODY and the crew of the ship Fanny Griffin, arrived at this port yesterday from St. Thomas, and reports the total loss of their vessel at sea on the 5th inst. The Griffin, which was owned at Kennebec, Maine, left Liverpool on the 30th of January, with salt for New Orleans, and experienced such heavy weather that she sprung a leak and the water finally gained so fast on the pumps, that on the 5th inst., when about 15 or 20 miles from St. Thomas, the crew abandoned her and she sank about an hour after. She was valued at $40,-000.

PHILADELPHIA, March 29.—*British Recruiting.*—A partial examination has been had before Commissioner HEARLITT, of the recruits who were arrested on board the S. B. Sandford, and the case was adjourned till Saturday. Fifteen were arrested, including those having charge of the recruits. It is said that 60 were sent on via. New York on Sunday, and the supposition is, that upwards of 500 men have been enlisted by the agent in this city.

HORNELSVILLE, March 26.—A man giving his name as Abercondee, about 39 years of age, committed suicide, at the Stafford House in this town, last evening, by cutting his throat from ear to ear. He is supposed to have been insane.

UNDER COST!

THE PROPRIETORS OF THE FAR FAMED

New York Cheap Cash Store!

NO. 194 WEST WATER STREET,
WILL SELL

DRY GOODS!

The ensuing Three Weeks CHEAPER than they have ever been sold before, as the Store will POSITIVELY BE CLOSED on or before the 1st of March, and we are desirous of disposing of our ENTIRE STOCK, previous to removing to our

NEW STORE!

NO. 181 EAST WATER STREET!

We therefore offer the balance of our remaining stock on hand, at

25 PER CENT. LESS THAN COST,

And even at LESS to insure a rapid sale within the time specified.

We have no "brothers who are always in the Eastern Markets," buying and selling ready made clothing, but we buy our goods direct from Manufacturers, Importers and Jobbers, without paying a second profit; and being entirely independent in our own means and resources, our Establishment being designed for the public benefit, it has under our management attained that favoritism and popularity which is unknown to any other public or private establishment. And we assure our customers that we are entirely willing to give them the full benefit of our selling at even 25 per cent less than cost, in order to remove to our New Store; built expressly by us for the accommodation of our increasing trade; and with the unfailing resources of our concern, and our strict attention to business, we are enabled to sell goods.

At Least 30 Per Cent. Less

Than the price asked at other Stores.

THIS ESTABLISHMENT KNOWS NO OPPOSITION, ADMITS NO RIVAL, but can, will and does outsell and undersell any establishment, Wholesale or Retail, west of New York.

This is strong language, but it is a happy fact that we can support it with an abundance of proof, which, if you avail yourself of this opportunity, we shall be most happy to demonstrate to you.
